Mother Earth is furious;
she is Idle No More.
She shudders and quakes, but Her choler is overlooked;
Her howling, tempestuous winds are like cries of pain;
and Her torrents and floods- a cathartic attempt to cleanse Her soul.
Her warnings are unheard, unnoticed, and neglected, like Her.

Mother Earth is bleeding,
wounded by the drills that incessantly rape Her,
siphoning the life force of our ancestors;
they steal our past while destroying our future.
We shall be Idle No More.

Mother Earth is sick and weary;
We shall be Idle No More.
Her waters and air run black with filth, with greed.
The trees- Her hair- cut down in ignorance,
the soils- Her skin- polluted with apathy, all in the name
of progress and fortune... Green destroyed in search of Gold.

Mother Earth is being squandered;
We shall be Idle No More.
How much must they take until there is nothing left?
They consume so much in a race to gather the most.
But what good is their false idea of wealth,
when ancestors are forgotten and descendants are bequeathed a dying land?
They spend all their time worshiping an invisible god,
forever trying to reach those holy gates of pearly white,
while they desecrate the Goddess and Paradise under their own feet.

Mother Earth is dying;
We shall be Idle No More,
We must stand up as One, to save and protect Her
from those who mistakenly think She can be owned.
Let our struggles be known, and let our voices be heard;
let the heartbeat of our Mother beat upon our drums,
and its message of love and peace echo in our own hearts/
They plant seeds of hatred, violence, and death;
but Brothers and Sisters, We must unite,
We must be Idle No More...
or I fear they will reap what they sow.

Title

Learning Management Concept Through Movies

Dates

09 May – 20 August, 2022

Coordinators

Dr. Indira Sharma (Coordinator)

AP Nidhi Parpyani (CoCoordinator)

Summary

Learn Management Concepts through Movies is meant for understanding the management principles through the movies (movies of any language, Bollywood, Hollywood, short movies, advertisements, and self- recorded). This is a simulation technique through which students enhance their knowledge by connecting the actual implementation of the management principles being taught in the class and other avenues to learn management apart from books, internet or regular mode of learning.

This is an internal assessment component in MBA II Semester. In this students are being placed under faculty guides. Faculties allot the topics and students in coordination to the faculty guides develop a complete project report based on the classroom learning and the principles in movies. Finally, the presentation of the topic is being made in front of a panel.

Duration of this assessment is 45 days which includes the topic allotment, preparation of project and presentation of the same. Last date of file submission is pre announced and informed to the students. After last date a fine @ Rs 50/day will be charged from each student. The format of LTM report is shared with students well in advance.

This process was started on 9th May 2022 and was completed by 20 August 2022 as students went for internship in between.
